The Premises:

Average sized apartment which is not far from the tube. I found it easy to find as I know the area. Pretty clean.

The Lady:

Just like the pictures. Curvy but firm figure. I found her attractive.

The Story:

She is lots of fun and very cuddly.

We got undressed and went straight into 69. Nice hard sucking with condom and her finger teased my brown hole.

I asked for the condom and got her to ride me. Loved watching those breasts bounce.

Ended with a tit fuck and me coming on her face and neck. We both cleaned up and gave me a good bye kiss as I left.
