The Premises:

Stephanie's flat is discreet and easy to find from her post code. She decorates it tastefully with items that she loves. There is ample parking close by in a very quiet neighbourhood. The flat is modern with excellent shower facilities.

The Lady:

Stephanie is exactly how she looks and she describes herself on the website. If anything she is more lovely. A truly great package.

The Story:

I visited Stephanie recently and to say we got along from the first minute is perhaps an understatement. Lots of kisses and cuddles from the outset and lots of smiles and eye contact. I was in heaven before we had even finished the formalities! Our time together was unrushed and I was consumed the whole time by her wonderful presence. Stephanie is beautiful, very funny, charming and intensely focused on our mutually having the best time together. I left with my head in the clouds from which I have yet to climb back down to earth. And there is promise of a second visit which makes my knees go wobbly all over again. Thank you Stephanie.
