The Premises:

Palm Springs is a well known massage parlour on a busy road in Romford. Near station and easy to park in the evening. Reception area a bit shabby, as are toilet facilities. But rooms are clean if a bit functional. The room we used consisted of massage bed, wall length mirror and little else. But I'm not Laurence Llewelyn Bowen so was not there to admire the décor!

The Lady:

Tina is a Brazilian girl around mid twenties. Size 12ish, so not skinny but not fat. Lovely big natural tits and a nice tan. Long blond hair, but probably dyed. Face make-up a bit over the top, but nonetheless a good looking girl with good command of English and an engaging personality.

The Story:

Paid £10 entrance fee, chose Tina then led to room. Negotiated £60 for basic personal, but paid extra £30 to include pussy eating. Bit steep but really wanted the 69 experience.

I undressed then Tina came back in and quickly disrobed for me. Spent a while playing with and licking her delightful breasts until my cock got hard. She then covered me with a condom and we got into a 69 position on the bed where I sampled the delights of Tina's smooth fragrant pussy while she enthusiastically sucked my cock. Then Tina laid back on bed and I fucked her in several positions. She instigated some dirty talk which really turned me on. Eventually came in mish position. All over a bit too quickly, but she certainly knows what to do!

In conclusion, a good experience. Tina is a pretty girl with a nice personality and sense of humour, and a good punt. Would recommend.
