As per pics on website, but now has straightened hair. Size 14, curves in all the right places, all topped off with a mammoth sets of Orbs.

The Story:

On arrival I was greeted by a semi naked Carla which reminded me of a fab punt I had with a couple of years ago - She looked fabulous!!

Kandy arrived and after sorting out the paperwork we moved to the wet room for a watersports session to kick off the hour. This was a fab experience with Kandy being able to let go and covering me in a lovely warm sensation. After a quick shower we returned to the bedroom for some more action as she sank to her knees and began sucking on my pink oboe for all she was worth. More sucking, groping and kissing eventually led to Kandy teasing my ass with a strap on which was good, although Annabellas could do with a better selection!! Round one finished with me cover Kandy's magnificent Orbs of love with my special sauce.

After a chat about this and that we moved onto round two and although I failed to finish we moved through a couple of positions and Kandy tried her best to get a 2nd coming, it wasn't to be.

I would certainly recommend Kandy, she is a lovely lady who made me feel relaxed and ensured that I had a great time!
