The Premises:

First time back to LR since the refit. Clean, discreet and well-equipped as always.

The Lady:

Lauren is very attractive, slim and pleasant. I asked her to sport latex and she rocked the dress from her profile pic.

The Story:

I opted for tie and tease with poppers involved. After some foot and arse worship, the gorgeous Lauren shackled me to the bed. With repeated offerings of poppers I had her wonderful pussy sat on my face, a toy up my arse and my highlight: a cock gag upon which Lauren impaled herself. What a sight! I was finished off with a delightful blowjob with a toy in my arse whilst flying on poppers. My best visit to the retreat and I'll be back to push my boundaries with Lauren soon.
