The Story:

Second visit of the day and all I can say is she was fine

Came in the room bubbly and looking really sexy said hi little kiss by this point I'm already hard

I saw her schoolgirl outfit looked really sexy asked if she could wear it she obliged and I kid you not the outfit really turned me on

Little back massage turned over for kissing then owo looked so sexy in that outfit and sucking my cock after about 10 mins thought I'd return the favour flipped her over started licking her pussy for awhile she might of cum and you can never tell

The main course at this point I really want to fuck her so on to doggy by this point times running short so on with the rubber I start thrusting hard and deep in her pussy lasted a lot longer but her I came it felt very intense the second time and she said what a big load while pulling the condom of

Only regret not cummin in her mouth

I had a boner driving home next time an hour or 2
