Details of Service Provider:

The Premises:

Nice discreet flat along a quietish side road. Inside it was spacious, bright and comfortable. Shower facilities were very good.

The Lady:

Sadie is tall, quite good looking, nice smile, confident and well built with short dyed bobbed blonde hair, very large breasts, a bit of a tummy.

She was dressed in day clothes with stockings and nice undies underneath

The Story:

I had had my eye on Sadie for some time; she states she loves watching porn and her profile is well written. She sounded lively, fun and basically downright dirty. She does have a recent blog item that details 20 things blokes do wrong (some of which she explicitly didn't agree with, the assumption being the rest, she does.

I was welcomed warmly, Sadie was engaging fun and I found her sexy. We sat on the couch for a while and chatted, then proceeded upstairs to her boudoir where we kissed, she got some porn going, started playing with herself, and things took off from there. Nice oral, nice face sitting, very good sex. I was sated/satisfied and I think Sadie found it enjoyable too.

Problem was; I caught myself a couple of times doing one or two of the things that she indicated she found so annoying in her blog. Having mailed her with a 'thanks for a great time' and 'sorry if I broke a couple of the rules' email; no response and she deleted the booking so I couldn't leave any feedback.

I originally gave a 'No' recommendation, but on reflection that does seem harsh; she's definitely a YMMV hence 'Neutral'
