The Premises:

Well documented, nicest parlour, bar Sandys in North West. Lovely receptionists in Sue and Donna. Front and rear entrances, parking directly at rear too.

The Lady:

Jazz is a tall size 4/6 mixed race girl. Long black hair and size AA breasts (which I love BTW) with peg like nipples. She smiles endlessly and could talk you to death, but in a nice way. Her lady garden is well trimmed but evident.

The Story:

She bounced into room and overwhelmed me with her athletic sexuality, she could shag for Britain, she wanted it every which way but loose, cowgirl/reverse cowgirl, mish and doggie, even her little bum was available for shagging. Shes so tiny, my cock looked as if I'd nicked it off a donkey, what a fab view as she bounced up and down on me. I finished in mish, must have been half a litre. Lovely girl, deserves lots of cock and she'll surely exhaust every male over 20 in the North west over the next few months! Only drawback, doesn't really kiss, OWO etc were available
