The Premises:

Nice part of London. Very safe apartment block. Her apartment was small but functional.

The Lady:

Firstly I should talk about Abby who made the arrangements at Abby69. She was extremely helpful and non-judgemental. She did not make me feel uncomfortable in the slightest, and just wanted to get me the right girl. I particularly wanted to try Lynsey but after trying unsuccessfully to contact her for 2 days, I decided to opt for Nadia. Abby checked with her colleagues and confirmed that the pictures were a good reflection of Nadia and I was not disappointed. I cannot commend Abby enough for her professional and helpful support. To the extent that she said if the girl did not meet my expectations/did not connect/or perform the services I wanted she would organise another girl for me in the same apartment block as Nadia. I have to say she sounded really sweet on the phone and if she was a WG and had sent me some pictures I would have gone with her just by her helpfulness.

Now on to Nadia, she was a very sweet girl from Moldova. She looks very similar to her pictures. Some small photo shopping but was pleasantly surprised. Discussed services and she was happy to oblige my somewhat standard vanilla request. I did want CIM but this was not on offer but she happily performed OWO. After my first climax she cleaned me up and offered a 2nd chance, but this was not something I would have been able to accomplish, so she offered me a massage but I just talked to her (good level of english) instead. Overall a good encounter with a polite, pretty girl who performed well but a little mechanical but what do you expect
