The Premises:

Discreetly located apartment block with dedicated parking right outside. Flat was very clean and nicely furnished.

The Lady:

Pia in the flesh was just like the photos on her website, which was good for me as I had been attracted to the photos in the first place. She is also very pretty and has a very pleasant expression. Her manner is very relaxed and friendly and she seems to be happy and comfortable with her work.

The Story:

Pia's warm and friendly manner made me feel at ease as soon as I entered her flat. She offered me a drink - wine, water or orange juice - and I had to opt for the water as my car was outside. I have a bit of a mobility problem and always look for the 'Girlfriend experience'. I explained that this was what I wanted and Pia was happy to oblige, giving me plenty of DFK and hugs.

I tend to come fairly quickly and was wondering how I would last for an hour (I usually opt for 30 minutes) so Pia kept giving me oral interspersed with sessions of conversation to allow me to cool down. Her timing and pacing were expert and we finished with all-to-brief session of shaggy-waggy with her on top and then doggy. I then saw that the hour was up but Pia said there was no hurry so we stayed chatting for another 10 minutes.

Overall I felt I was in the hands of an expert and I almost feel inclined to give up punting here and now as I can't imagine getting a better experience with anyone else.
