The Premises:

Elise had rented a very tidy and spanking new two bed apartment inn the centre of town. Easy parking nearby. Discrete buzz in entry to the block. Hotel standard without seeing anyone. Good shower room .

The Lady:

Very close match to her pictures. Though her pics do not capture the depth of character, intelligence and all around commitment to sexual fun.

The Story:

A Lady who can stir your loins with text banter before you arrive, can work through an exacting roleplay from the moment the door opens. Can ensure you get a second round in a 30 minuter because well it is fun to do so ..

.. and a Lady who was up for everything (safe) and more is a rare find indeed.

Thankfully she only visits this part of the woods every 5 weeks or so or I would have to ..

start robbing banks

propose ..

Did I mention her firm, taut lush figure.. lovely set of boobs on her and a good height..

Great oral and up for any position ..

But her true strength is her personality.

Engaging without being nosy or patronising.

Sexual bantering before an appointment, that is a first!

Also supportive when needed.

Well worth her rate ..
