The Lady:

Arianna is not like her picture at all. She is a size 10 or 12. Face is obscured in Bubbles Escorts pictures of her. It may be that she has put on alot of weight since the picture was taken. She is a very nice girl and wanted extra for "services". I personally would not see her again but I like small small. Maybe a client would like this 10-12 size girl?

The Story:

She is a nice girl but not my type.
