The Premises:

A bit in need of a lick of paint, but not overlooked and nice clean bed. Free parking nearby.

The Lady:

BBW, looks better in the flesh. Bubbly, easy going, flexible and reliable.

Nice tight pussy and small lips. Huge nipples!

The Story:

This was 15 min oral only quickie with french kissing, reverse O, fingering, owo and cim.

All of these were agreed beforehand and delivered to complete satisfaction.

Sam french kisses wonderfully, she loves to be fingered and have her pussy and clit licked.

The final act was me straddling her whilst she sucked me and then me wanking over her open mouth and shooting spunk over her tongue, in her mouth and over her face. We then shared my spunk, cleaned up and I left.
