The Premises:

Familiar basement flat midway between Paddington and Bayswater area which she shares with two other girls. Anna's room is spacious, containing a nice large (and sturdy) bed, plus couch. Lighting was low. Bathroom next door with a decent shower. Everything clean and spotless.

The Lady:

Anna is reasonably tall for a Thai girl, maybe 5ft 4" at a guess, and I'd estimate mid to late twenties. Facially I don't think any of the photos online really capture her true likeness, and she'd applied too much make up for my tastes, but she has a very sexy body, super-slim and toned with small natural breasts and a nice curvy bum.

The Story:

Anna welcomed me at the door wearing her black strappy leather bra and panties set, as seen in a couple of her photos, but my request for stockings had been lost or forgotten somewhere in the booking process. I wasn't going to complain, it's a minor matter, so I was ushered into her room and offered a drink of my choice. Having taken care of the paper work Anna asked if I'd like to freshen up, and helped me out of my clothes so that I could shower (solo).

Back in the room we began our session with some DFK, Anna pinning me to the bed which was quite a turn on. I'd specifically requested to be able to give a facial (which Maria had been happy to advise me on, and make Anna aware of in advance) so she then focussed on some long and sustained OWO which she seems very skilled at. Maybe it was the anticipation of the punt, but no matter how hard she tried I was struggling to build to a climax, so we took a break so that I could return the favour with some RO for a few minutes. Further OWO still didn't bring me to a finish, so I suggested we just try normal sex instead, and when she asked "do you want to fuck my bum" well, how could I resist? I don't often partake in A levels, but I have to say it felt good with Anna and she really seemed to enjoy it too. After fucking her arse from behind for a while we then switched to sex in a spooning position and this did the trick, resulting in a happy and prolonged eruption into the condom.

Anna has a nice, upbeat personality, and liked to kiss and cuddle throughout our session. She's

also not a clockwatcher and she was happy to offer me a second shower afterwards even though we were over our allotted time. I'm sure her passionate and uninhibited manner will attract a loyal following over the Summer.
