### The Story:

Her 1st day @ GFE was last Sunday. Knowing who she was and where she used to work (SS), and does currently work (Brooklyns at Crewe), 30 mins was out of order, so it was for the hour !!

As this place is local for me, I know it quite well - safe area for parking too, and that's anytime of day as well. The venue is always clean when I have been, the beds are only singles and not doubles apart from the VIP room - large showers and always work too, and fresh towels.

Looking stunning as always, many heads turned (I wonder why) as Aimy came down the stairs, and into the main lounge. My turn, I was shown to the room by Aimy herself and had a shower. Onto the bed and a teasing massage was had using all her nipples, nails, and tongue working bigtime with me. 69 time then !! Sex in various positions, and finished with OWOTC.

Sheffield now has 'another Manchester superstar', only having to travel 20 mins now as opposed to 1hr 45mins says it all !!  
- enjoy !!

A quick 'catchup' afterwards - just like old times ;) 8) !!
