Basement flat set back from the main road so very quiet and discreet. Surprisingly spacious for basement with high ceilings and spacious, clean, well lit rooms. No en-suite but a spacious clean bathroom with modern fittings and double shower for sharing - what more do you need?

The Lady:

Asiana aka Macy is a true goddess - part Thai student girl next door and part super model. Petite frame at about 5 foot 2 - all natural sweetness with the body of an Olympic gymnast and the stamina to match. Tight young toned, tanned chassis with smooth silky skin, a nice handful of pert boobs with responsive bullets, the sexiest little tight derrière and fully shaved below. All topped off with a beautiful face with immaculate skin, small pouty lips, mischievous sparkly eyes and long silky black hair. Dressed immaculately in a crisp white lingerie set with suspenders and high heels showing off her glowing tan. Better than her pics and easily the most beautiful girl I have had the pleasure of experiencing. Patsy is a little more experienced in her mid twenties at about 5 foot 4 with a toned muscular frame with a sexy butt and enhanced boobs. Also a real Thai beauty with a beaming smile making her seem more beautiful and a long probing tongue made for sin. She was dressed beautifully in an animal print two piece and high heels which nicely showed off her natural assets. Her English is clearly better and she takes control of the situation ensuring the perfect mix of youth and experience.

The Story:

Greeted warmly by Patsy at the front door who immediately brightened my evening with her beaming smile and large expressive eyes. Dressed in a sexy animal print two piece which highlighted her enhanced boobs and sexy ass. Her English was very good and put me at ease quickly. Moved on to large bedroom on the left when my heart skipped a beat when I saw the amazing beauty that is young Asiana (aka Macy on other providers' sites) standing expectantly in sexy white lingerie set framing her perfectly toned physique. Unlike many of her peers Asiana is a genuinely young artisan just turned twenty with the perfect combination of physical beauty and cheeky warm personality - much better than her profile pictures.

I knew immediately that this would be a special experience and was not disappointed. I brought a gift of champagne and chocolates which were gratefully accepted before taking care of the finances and freshening up with a shower before the main event. When I returned the girls were taking a cheeky selfie before both commented on my large member (always a good start) and joined me in a sexy clinch with our tongues co-joined in a sexy three way and asking me what was my pleasure. I opted for a lesbian show for starters which the girls readily complied with, deep kissing and probing each other with their tongues while exploring each other's pouting mouths. Patsy as the dominant started to devour the more submissive younger girl removing her skimpy underwear to suck deeply on her boobs until her bullets were erect and slipping down her briefs to sample her shaven haven. I sat on the bed savouring this dream Thai tag team vision while caressing both their firm bodies and exploring their hidden charms as their quims became quickly warm and moist - all the time receiving knowing glances from both minxes. I couldn't sit on the side-lines for long and joined Patsy in sucking Asiana's perfect nips before we both crossed tongues in tasting her sweet shaven snatch - a real exotic flower - nothing has ever tasted or felt so good. All the while both caressed and teased the flag pole which quickly reached full mast.

I was getting seriously aroused when we moved to the bed and Patsy opened my legs and proceeded to drill my ass hole deeply with her tongue as if looking for hidden treasure. I had found my own treasure as Macy straddled my chest and proceed to DFK me as if her life depended upon it. I quickly removed her remaining underwear to feast upon her full beauty. She rubbed her tight pert frame over my body teasing me with flicking kisses while Patsy probed deeper with loud slurping sounds intermingled with expert oral. Asiana then joined the action taking me deeply in her eager young throat with her perfectly sculpted tight butt thrust temptingly in my face. More distractions and pleasures combined than any man really deserves. I sat up and gave Patsy a break (I think she can suck all night) and removed her underwear to savour her full assets. Her sexy tits and ass are a real turn on.

Now both totally naked they started dancing and grinding against each other in front of the full length wardrobe mirror. They invited me to join them as the meat in their sandwich with Patsy grinding from the rear with Asiana in front twerking her gorgeous ass in my throbbing groin. Miley Cyrus has got nothing on this pocket rocket beauty. My bulging member was now receiving double trouble from probing hands and assets from both sides. Patsey worked her tongue down my back to the back door where now on her knees she pulled back my cheeks before thrusting her muscular tongue again into my rectum. My body quivered as Asiana DFK'd me while rubbing her tight perfect frame against my front while jerking my member. I knew I couldn't hold out for much longer so I directed Asiana to her knees to lick between my ball sack and thigh followed by sucking my balls while keeping constant eye contact with occasional cheeky winks. All the while Patsy was expertly licking out my rear with much slurping and moaning - still exploring for that elusive treasure. Asiana took my member in her mouth and thrust deeply with ever quicker motion while cradling my balls. I had a perfect side-on view in the mirror as both girls thrust their mouths urgently and greedily onto my grateful body before I exploded into Asiana's warm young mouth who patiently sucked my load dry while Patsy completed her anal investigation. We all cleaned up before enjoying more champagne and chat.

There is a fantastic chemistry between both ladies as Patsy seems to have taken the younger girl under her wing and looks out for her best interest while ensuring that our session flowed seamlessly. There is lots of joking and playful games as I lifted them both up in my arms and called them a mother and daughter double act which we laughed about. After some kissing and caressing we were quickly on to act two - condom on I opted for Patsy's famous anal as she bent over expectantly on the bed - ass in the air facing the mirror (yes another mirror - great feng shui in this place) while Asiana grinded my rear. I couldn't quite make it so Patsy rolled over on her back beaming beautifully with her legs spread open invitingly - an invitation I accepted readily and easily slid into her wet fragrant pussy. Asiana covered me with kisses driving me crazy while probing my ear as I drilled the now moaning Patsy. Asiana mischievously offered a prostrate massage which I accepted - in that state I would have agreed to anything. She donned a condom and fingered my ass as I erupted into Patsy while we DFK'd like long lost lovers. More cleaning up followed by fun and games.

These two are a truly playful pair and a pleasure for company - we joked about Asiana wanting my cock but being afraid of its size. I joked about anal and Patsy explained that Asiana's rosebud was tiny and not built for such action. Asiana lay on her perfectly flat stomach on the bed admiring herself in the mirror while we parted her cheeks and examined her tiny perfect opening - maybe one day but not with my staff. We continued with more grinding, kissing and sucking culminating with interchanging oral and rimming with both then focusing on my member; swapping my balls and cock between their hungry mouths, rubbing my rectum while keeping good eye contact - both looking up with longing desire in my direction with their deep twinkling eyes. Sadly my bulging member was not ready for another eruption but the feeling was still exhilarating and the girls maintained their enthusiasm. Both are definitely not clock watchers and seem to genuinely have my pleasure and comfort in mind - there was plenty of refreshments given and no gaps in the fun and games. This seems to be part of the custom of hospitality which the Thais are famous for. We actually went 20 minutes over the hour and they only seemed to worry about this when Asiana had another client coming.

Had a sexy assisted shower to finish with Asiana who cleaned me thoroughly before I lathered her up and down - a memorable experience in its own right. Graciously thanked the girls, leaving a tip which they appreciated before covering me in more loving kisses and cuddles. I've had other punts but nothing comes close to this experience - these two Thai superstars have ruined me for other WG's - I floated home feeling like the luckiest man alive. I left a little of my heart with the girls when I kissed them goodnight and will be seeing them again. Both girls are here for a good time - not a long time - so make the most of their special skills and beauty while you can - you won't be disappointed.
