### The Premises:

Ladybirds is an established sauna located on Narborough road. It is nice inside and has a front entrance and a discreet side entrance. The room itself was the special VIP room which they save for special appointments. I lucked out and got this room because all of the other rooms were occupied!

### The Lady:

Alice is a slim and very busty blonde with a great personality. She made me feel completely at ease and I just lay back and enjoyed the show!

### The Story:

popped in around 1:00 pm and there were 4 girls working that day, they all looked great. Suddenly I realized that I had to do something in town and decided to show up again at 3:00. Unlike a few parlors in Leicester, Ladybirds seems to be a fair and honest place, because they didn't take the £12 door fee from me the first time. Unlike the previous week where I had a problem at another place called 'Divine Destiny'. They made me pay 10 pounds before I had even seen a girl, and the girls didn't match the exaggerated descriptions I got on the phone, so I ended up making my excuse and leaving. Fortunately, this is something that isn't practiced at Ladybirds and they even make a point of letting me know that on the phone. Anyway, I had a great experience at Ladybirds and would wholeheartedly recommend them!
