The Lady:

Lovely slim girl. size 8. long black hair. perfect small boobs. around 5`6 tall I guess. just the way I like them. she has a few tattoos but they are quite tasteful. Looked great dressed in a short black figure hugging dress.

The Story:

Scarlet arrived bang on time, 10pm. straight away she was hugging & french kissing me with great gusto. I couldn't believe it, she had only been in my hotel room 2 minutes. I was quite nervous but she quickly put me at ease. soon we were undressing each other, wow, what a tight body. fantastic oral without & reverse oral. she asked me what position i wanted to start with & I said mish, followed by doggy. I couldn't hold out much longer & soon enough filled the rubber like never before. I sure will be seeing scarlet very soon now that I am back in the punting scene after a long break. many thanks Scarlet.
