The Premises:

Very nice apartment in a discreet area, the apartment was very clean with a very good shower as well.

The Lady:

Photos looked exactly like Lacey (her tits look even bigger in real life!) Also she definitely knows how to give the pornstar experience.

The Story:

I've seen Lacey a few times before (when she was formally on Max's as Sindy), every time I've booked her I've had a very enjoyable time and today was no different.

When I arrived I was offered a shower (once I got the payment side out of the way of course), then after finishing showering I go into the bedroom to see Lacey was waiting on the bed in some very sexy lingerie.

She then starts the PSE with great oral, as for the rest of my experience I will leave it to your imagination but all I'll say is you end up with a very happy ending, especially if your looking for that PSE.

Afterwards I found Lacey easy to talk as she is a down to earth girl theres no awkward silences (like I've had in the past with other escorts).

I will definitely be booking her again in the future.

(I will add though that even though her rates have gone up since Lacey left Maxes, she is still fully worth every penny at Hamilton's.)
