The Premises:

Easyish to find location not far from the epicenter of Thai working girls that is Bayswater. Walk up flight of stairs, through to the back and turn left.

The Lady:

She is a hot number, especially facially. Really quite a pretty woman. She is about 5'3", a bit curvy and has very modest signs of childbirth, the kind that say 'my god she has good genes' because she is fitter than most girls who haven't. Fairly juicy bum that she enjoys working into the action.

The Story:

Service was great, she is very focused on giving you a good time. Services seem pretty all out there, minus A-levels which were rejected, but everything else pretty enthusiastically.

So I ended up in first round unloading near her mouth and she was not keen on CIF, but took most of the load very well, and in fairness, it was an unacceptably large load, the kind that make actual breathing a bit difficult, Nice massage in between and then she resucitated junior for round two which lasted quite a while.
