The Premises:

The bad part of this punt was the location which was situated in an apartment block near to Lewisham station. The entrance was a bit creepy, but inside it was ok.

The Lady:

A petite, East European girl with lovely pert 34b breasts and a peachy, little bum.

The Story:

This was a basis service which consisted of covered oral and sex with her on top. That was followed by sex in the doggy position with me standing. I got the best of both worlds, her lovely pert breasts and her peachy, little bum.
