The Premises:

Basement flat near Baker Street. Easy to find. Very modern, great shower.

The Lady:

Luna is beautiful. She looks younger than her photos, and has a lovely youthful smile. Great tits and bum, in a combination you only find with Brazilian girls. Quite some tattoos, not my thing but they didn't bother me. Luna is curvy but in a very sexy and svelte way.

The Story:

Luna is a great kisser, which is very important to me. Her BJ is lovely, she likes licking balls but does not move south from there. No rush at all, we had sex in pretty much every position I am capable of. We had a nice chat afterwards, she is a lovely girl. Please be nice to her.
