The Premises:

Safe parking on the street. Discrete entrance. Lovely friendly place to go. Lovely receptionist, nice cup of coffee, clean and safe. Instantly put at ease when you go in.

The Lady:

Late 40's, blonde, tanned stunner! Absolutely fucking gorgeous, but then again I've always had a thing for the more mature tanned blonde MILF. Nice tight body, lovely natural boobs, and a cracking arse! Lovely sexy raunchy face too. I get stiff as soon as I see Lauren!

The Story:

A super experience. Very relaxed, Lauren puts me at ease straight away. Always start with lots of kissing and fondling, which really turns me on. Then, it's on with the condom for oral. One thing I really admire about her, is her level of cleanliness. Some might like oral without, but Lauren doesn't offer this, and I'm happy with it...you know you are with a clean healthy lady that way. I then got between Lauren's sexy legs to taste her pussy. Delicious! Clean, and very well cared for. Then on with a great fuck. Loads of positions, all very enthusiastic. You won't get a better experience than with this top bird!
