The Premises:

A nice, discreet apartment close to Farringdon/Barbican. Good shower, nice room, well kept and clean.

The Lady:

Gorgeous. Tilly has a lovely smile, she is tall and slim, with fabulous breasts. She opened the door wearing a lovely dress, which she said wasn't her normal attire for that early in the morning. The 09:30 meet was her preference.

The Story:

Well. as ever when you meet someone for the first time there's the frisson of uncertainty about how you're both going to get on. Tilly was simply delightful, very smiley and chatty, and with little ado we dealt with the finances, and I disappeared off to shower.

Upon return we started some nice kissing - Tilly has a sensitive neck and after some time of snuggling/writhing together on the bed, my towel was removed and the fun started. For those who love a sloppy wet blowjob, Tilly will deliver just what you want. She has a great technique, that I soon desired to return with her sitting on my face. Looking up at her was a fabulous sight. Eventually the condom went on and we had sex in missionary. Tilly brought herself to climax while I was inside her; this I find incredibly erotic, shortly afterwards she repeated the feat. At that point it was my turn; off with the condom and over to the long mirror for a standing up bbbj completing over those lovely breasts.

I really enjoyed my time with Tilly and I don't even have to go too far to get to her.

Most definitely recommended, and I will return.
