The Premises:

Large basement flat about 5 min walk from Paddington station.

Nice large, clean bedroom with comfortable double bed and strategically placed mirrors.

Large, clean bathroom with large shower cubicle that could easily fit two or three people and excellent water pressure + plenty of hot water.

The Lady:

Patsy is a nice looking, petite, busty lady. The pictures on the website of her are accurate. She looked sexy as hell in her figure hugging red satin dress and red hold up stockings.

The Story:

I would say that Patsy provides a GFE i.e. a Great F**kin Experience. It was the right mixture of sensual GFE (e.g. lots of DFK, OWO, sex in various positions, 69, reverse oral, caressing and massage) plus PSE (e.g. rimming, ball licking and sucking, deep throating, anal and CIM).

Not only does Patsy provide an overall fantastic sexual service, she also is a lovely, bubbly, polite lady. Patsy has a reasonable command of the English language so you can have a conversation with her and not the usual pigeon English with some girls I have seen in the past, which made a refreshing change.

All in all Patsy is a courtesan who goes out of her way to please her man and has a great personality. I really wanted to spend the entire night with her sampling her interpretation of GFE.

I will be seeing this lady again very soon.
