The Premises:

Discreet terraced house, buzzed in then shown into the waiting room, 3 girls were then introduced to me and I picked Suzanne

The Lady:

Suzanne is a good looking girl, probably early 20's with a cracking body and a nice pair of tits.

The Story:

I originally was going to have half an hour but looking at Suzanne I decided to go for an hour. I have had a lot of punts at this establishment and 99% of them have been awesome, but I wasn't feeling it the moment Suzanne walked in and I gave her a peck on the cheek and went to put my arms round her and feel her pert little ass, now girls like Angela, Shelly and a lot of others make you feel like they want you, a true GFE, but Suzanne just said "what do you want then" and "get naked then" I asked if she kissed and she said not French, which I guess I should have checked at the beginning because it is my absolute best thing and really turns me on. She told me to lay down and procceded to give OWO, which to be fair was very good, she reluctantly made eye contact during but then after a couple of minutes asked if I wanted to swap, which I thought was a little soon (anyone who has been with Angela, Shelly, Ruby etc will know they suck you inside for as long as you can take it), anyway I agreed and went down on her and to be honest it wasn't pleasant, I'm no expert in these matters but normally the girls from here smell and taste gorgeous, this did not. I stopped there and then and got dressed and left, getting a refund for the last half hour. Now in future I will stick with the stunning gorgeous girls that I have had awesome experiences with
