The Premises:

Shared apartment within labyrinthine complex near Earls Court. Room was functional but very dark with a slightly drabby makeshift feel about it.

The Lady:

Tall, slim british lass with lovely long legs. Has glamorous features, reminded me of the sort of lasses i always used to fancy (but could never get!).

The Story:

Carly is a pleasant chatty lass and following ablutions and monies she offered me some wine and we conversed for a while. Facially she has a glamorous look which I liked, also a slim tight body with long lithe luscious legs. Wow. She dressed functionally but I found her strikingly attractive.

Unfortunately the bedroom was very dark and sort of drably 'assembled'. I know you are there for the lass but i didn't find it a restful, settling environment.

Anyway, I soon forgot about it as we started DFK and then some OWO. All good clean fun. It was quite a sultry sensual experience and we ended up having really good sex in missionary. Our bodies were sort of compatible and it was probably the some best sex i have had in that position; really sensual yet intense.

Carly is a friendly chatty lass and I would recommend. For me though, if I saw her again, I would request an outcall as I just found the room and decor uncondusive to events.
