The Premises:

Lady M has moved again. I wasn't that keen on her last place in Victoria, but this is much nicer. Easy to find, very near the tube. Large bright flat. Nice large shower. Big bedrooms, kitchen much better than mine...

The Lady:

Seven girls, all super raunchy. Maybe some a bit better looking than the others, but all fun to be with. I can't remember all the names but the two Romanian girls were something else. Young, fit, pert, gorgeous skin. The sweetest looking little pussy on one of the girls, looked as sweet and innocent as she did... when she didn't have a large cock in it that is.

All had great attitude, never hesitating to join in. Toni in particular was unbelievable in terms of time and energy. All with a pretty face, lovely smile and a body made for sex.

The Story:

Guys if you're reading this wondering whether to go to one of these parties, stop reading now, get on that train/plane or Boris bike and make your way to Edgware Road. I've had many memorable punts all round the world, but this must rate even better than the 4 Filipino girls in my hotel bedroom in Singapore last year.

I was greeted at the door by a sultry Brazilian in a tiny dress with her boobs popping out. Quick change into a robe, quick shower and she led me to the bedroom, where one of the Romanians was sitting on some guy's cock whilst the other sat on his face.

There were maybe 8 or 9 guys there, with 7 girls... and the girls certainly had more energy. I spend the next 2 hours with my cock in one or another girl's mouth or pussy, whilst another massaged/kissed/sat/rubbed etc etc. none of the failing to join in with anything but enthusiasm.

Towards the end with maybe four guys still standing (so to speak), we were all in one room, with all the girls working hard. Even the maid lifted up her T-shirt and paraded her tits through the party.

Eventually I was left on a large bed with five sexy naked women taking it in turns with my cock. I thought I was in heaven.

All good things come to an end, but even as I showered the aforementioned Romanians came into the bathroom stark naked to wash. They wished me a good evening with a cheeky smile as I left them, and Toni blew me a kiss as I passed. 'See you soon', she said. 'You certainly will I replied'.
