The Lady:

Kim is a brunette, EE , very pretty . She looks like her photos although a little bigger but not much and a couple of years older, although still looks lovely

The Story:

I wanted to book Pamela but she was not available at the time I wanted, I was recommended Kim, this turned out to be the best thing that could happen.

Kim has a studio flat in the block, I ask for black stockings, heels and underwear, very original I know. She opened the door fully dresses, which I like.

It started like a real date, Kim was chatty her English is very good. She did a slow strip to reveal what she had on underneath.

The rest of the hour was amazing, I have never had anyone put so much effort into what they, I had an hour of a beautiful woman giving me a full on escort experience
