The Story:

I call Escorts London Local agency and order a local girl to come to see me. My only request was that she speaks English and offers a gfe experience.

A lovely attractive Brazilian girl arrive, Maria was just what I asked, beautiful as her pictures, friendly, fluent English with a cute smile...

She arrived at my hotel perfectly on time and knocked at my door... Such a sweetheart!

I let her in and offer her a drink. Nice chat with an intelligent woman.

She start to kiss me and things just heat up ... we went to bed and undress each other while kissing, end up rapidly in 69 then BBBJ , she soon was riding me, what a cowgirl! She really likes it and shows you what she wants. Moved to doggy, very nice sight, and finished round 1.

Round 2 was started by another bbbj followed by reverse CG and mish to end up, looking at her cute eyes.

Great end of evening with a perfect PSE mixed with GFE kind of girl.

I high recomend her as she is a great VFM. I defenitelly will see her again.
