### The Premises:

Discreet basement flat with good transport links, set back from main road with private entrance door for complete privacy. Interior very spacious for basement flat with surprisingly high ceilings and well proportioned bedrooms. Macy shares the flat with Patsy (who I have had many top punts with – another beautiful lady with a big heart) and Annie who I have yet to meet. Macy benefits from the en suite bedroom on the right hand side which guarantees your privacy. Bathroom is compact with neat shower and generally good facilities.

### The Lady:

Stunning young Thai girl just turned 20 with model good looks, very pretty facially with twinkling expressive eyes, a button nose you just want to kiss and pouting lips made for DFK rounded off with perfect acrobatic body just like her pics. Probably cuter and prettier in real life as she has a mischievous fun loving personality which can't be captured by the camera and draws you in quickly - making her totally irresistible. Perfectly petite at 5 foot 2 and all natural with a small delicious handful of boobs designed for sucking, bullet like nips easily aroused, a taut firm butt and clean shaven below. Dressed in sexy schoolgirl outfit guaranteed to thrill – the perfect Asian pocket rocket babe.

### The Story:

Following from experience and all the rave reviews surrounding this Thai beauty I had great expectations for a top punt and was not disappointed. She has a full dance card so I had difficulty booking the time I wanted and eventually settled for a 10:30 morning slot - against my usual routine but as I said I was keen. There was a slight delay when I arrived as the agency had failed to confirm the booking so the poor girl was not expecting me but ever the professional Macy quickly ushered me inside and made me feel welcome. This caused some confusion and affected my earlier post for which I have apologised unreservedly to Macy as clearly the working girl should not pay for the sins of their agency - a big lesson learnt for me.

Unlike many of her peers she was not plastered in makeup – which as a natural young stunner she clearly does not need. I had brought a small gift as is customary for me which Macy graciously received.

Took care of the finances and showered quickly while Macy brought me a refreshing cranberry juice which I drained quickly as it was hot outside. Her cosy and tidy bedroom was surprisingly cool and comfortable.

There followed the most wonderful whirlwind hour of deep French kissing, satisfying oral, fun, laughter and loving from a true Thai goddess legend in the making. She made me feel like a young stud again and aroused feelings and sensations I had thought were long gone. If you treat her kindly and with respect Macy will open up quickly, show you her fun loving cheeky side and leave you feeling like a prince. Treat her well gents as she is a rare diamond in the rough which we have to sift through before finding perfection such as hers.
