### The Premises:

Spotless, safe and discreet in Cardiff Bay.

### The Lady:

Cat is, to me, physically perfect, the most gorgeous body with a beautiful smiley face.

### The Story:

Seen Cat before for a Nuru massage (which was amazing, btw) so knew what to expect and hopefully what she liked. Started with some gentle cuddling and rubbing of the obvious area, then decided to go for a closer look, and boy, was THAT worth it?! The physical contact was amazing, she really does enjoy it, and after the main event, the nice comedown just chatting was extremely lovely. This is a true lady who loves to please, and it is really a joy to pleasure her. Next time, I'll be making use of her bed restraints for some full on tie/tease.
