Very clean, nice area, felt safe. Parking was easy.

### The Lady:

Tall mixed race lady, early 30's, slim to medium build, she sent a picture to me, and looks exactly like the photo. Perfect teeth, natural boobs, very attractive. As described by other reviews.

### The Story:

After reading other reviews, this one appealed to me. I was looking for 'Girl next door looks'. I spoke with this delightful young lady few weeks prior to my booking. She spoke very good English, she asked which services I would like.

I mentioned I was a disabled man, was looking for a girlfriend experience with a mixed race girl (my favourite).

We went ahead and booked, as it was my first visit, I decided on 30mins.

On arrival I was welcomed with open arms, she helped me through the door which had one step up. So entry was easy for me. Wow this lady has a wonderful smile, stunning to look at.

Immaculate from head to toe in what I would describe as complete glamour wear. I was offered a drink, I accepted. She led my chair to dim lit room, which had scented candles dotted around.

She took complete control, started off with French kissing, whilst undressing me, I fondled her pert breasts (not sure of size but definitely a good handful. Danni spent a lot of time on giving me oral, what I would describe as heaven, she certainly knows how to work her tongue, deep throat was amazing guys!!

I played with her shaven pussy, no lubricant required there aha..

She went onto a full strip, out came the rubber and she sat on top and rode me to heaven, I felt her bottom against my balls, I couldn't wait any longer and she fucked me in such a fashion... Blast!! I let my load take over, we continued kissing.

Thought it was over Danni sat on my face and I licked her shaven pussy, holding lightly onto her clit.. She came over my face. Brilliant!! Showered dressed and said we shall meet again.
