The Premises:

Familiar town house across from the shopping centre. When I arrived at the front door there was already a punter waiting to be let in. First time that I've seen a fellow punter. We both got let in and it put the maid in a bit of a minor flap to have 2 eager and keen punters standing in the hallway, but she dealt with the situation admirably

The Lady:

I've been wanting to see Izabel for a long time and I wasn't disappointed. She is a very voluptuous woman with long dark brown luxurious hair and wonderful tanned skin. she is very garrulous with non stop talking but with a very open and honest personality to go with it. She was wearing and matching black bra and see thru knickers. She is a size 12 with a wonderfully full pair of enhanced breasts. She's Polish with Italian heritage and the combination of those nationalities are wonderfully combined in Izabel. Her online pix are a few years old now, but they still give a fair representation of her

The Story:

Once I was left in the room on my own, I started to get undressed and after a few minutes Izabel arrived. Wow! what a force of nature. She bounced into the room, glass of water in her hand, and started to tell me that we were going to move to another room because it was too hot in here. Once we relocated, we lay across the bed together and we kissed. She certainly is a full bodied and fun woman to spend time with. She stroked my cock lightly and the sensation felt electric.

Izabel got me to sit up by the pillows and she went down on me. Her OWO felt tremendous. She used the her two fingers on the base of my cock whilst she kept on sucking. I sat up and admired the view and complemented her on her figure that lay spread-eagled before me. The shape of her back and curve of her bum is a sight which will remain with me for a very long time to come. After nearly 10 mins of glorious oral I then went down on her and sucked on her clit for over 5 mins. That led to 69 where we mutually pleased each other for a while. As the sap began to rise, we switched to HJ and as I announced my cumming she tangled her left breast on to my gland and I came tremendously by jizzing all over her tits. She squeezed out every last drop leaving me a ecstatic but

spent.

After a 20min wind-down where Izabel told me much about herself, Round 2 began with more OWO, then onto mish. Time was nearing the end, so it was more OWO this time with me standing by the side of the bed and Izabel squatting between my legs to apply her oral skills. Such a magic sensation! Then she got me to lie across to bed and she lay on top of me and sucked and wanked my cock. This was wonderful and my head flopped over the other side of the bed and she did her work of pleasure. We weren't going to achieve my second coming (but not from her lack of trying) and it was now the top of the hour so we brought the proceedings to an end.

This was a long awaited experience for me and one that I'm glad to have got round to doing - even if it did mean traveling to MK to catch her. I'll definitely see her again, but next time it will be in Sth Ken.
