The Premises:

Nice clean apartment in paddington shared with other girls. A bit of a concern for me in terms of security if I am honest but all went well.

The Lady:

Very sweet, erotic and sexy girl her looks are much better than photos specially with new blonde hair :) friendly and likes to laugh I gathered but english is not very well but we got along nicely. Very polite too.

The Story:

When Suzie opened the door I was blown away immediately she was very welcoming with a kiss which put me at ease. Got to the room sorted the details of the booking and I was offered a shower. Suzie was ready for me and I can tell she was eager to please we started with DFK her lips are amazing I couldn't wait until she gets on her knees for a blow job and play with her amazingly soft big breasts, they are the best I've ever seen, nice feel and she loved having them squeezed and sucked. We got on the bed and finished me first time with an excellent OWO and tit fucking. She is certainly very open minded girl. After that a massage and we got to round 2 with more OWO and sex in different positions where she was very responsive and accommodating. I definitely will see her again, she is absolutely amazing and beautiful girl, I'll probably book her over night next time at my place. Thank you babe for a great experience xx
