The Lady:

Beautiful age around 20's

fantastic body to die for

Back side & boobs delectable

The Story:

arrange to have a Nuru Massage seen and heard about them on the net, and knew straight away i have to try one

having had many massages in my life good & bad, but this has to be the best ever.

After being allowed into the apartment Emma opened the door wearing a black nightie,

Money out of the way, She invited me to get undressed after a few moments she arrived back into the and she asked me had I had a Nuru Massage before on saying no, she said well you will enjoy this.

She wasn't lying.

As I laid down on the clean mattress on the floor a mirror was showing everything going on in the room behind me.

Emma then took off her nightie and her sexy body was to die for.

after applying the oil she then applied the quite hot gel all over my back, then she laid on top off me, rubbing & sliding all over me

her breasts and nipples were touching sensitive parts especially the inside of my legs and inside the cheeks of my backside

after around 10 mins. she asked me to turn over you can imagine the size of my penis now, she

then started to do the same again, but this time all over my front, chest,

legs and cock, she was rubbing her boobs everywhere there was not a place touched by her hands, belly, boobs and heavy breathing to my ears

Eventually she was doing it very fast and hard i immediately exploded.

after cooling down she helped me clean up. And showed where the shower was

Getting back into the room she was just following me in after her shower (2 showers in the flat)

I would highly recommend the visit,
You have to ring and book there are four girls working different shifts.
I repeat I would highly recommend this place, have to save up and try a different Girl
