The Lady:

Baba's English is not great but her body talks to cock like nothing I have seen for ages. She is tall good looking and thin with enormous enhanced tits. It is her own flat and there are facilities. I just wanted to get undressed and to empty my balls into her.

The Story:

She makes it clear fingering fucking no kissing or licking. She took off the sexy jeans and top leaving panties and pretty bra. I was undressed in a flash 30 mins is too little room for me these days but she had a guest arriving soon. On the bed she gave me very good ow deep and sexy I fingered her wet and tight pussy which is very shaved. She advertises anal but how a cock goes in there... I am small but the missionary fucking that I went for was incredible I ploughed her cunt for as long as possible, Baba responds but I was in a fucking mood and I rode her very vigorously. I fucked her face for a few moments but I wanted to cum in her. I rode her again doggy and pushed slightly on her arse I would have loved to have a toy to place in her bum and stretch her tight body to the limits. I came gallons and collapsed onto her back. I am slow to recover and Baba was in a rush, I did know this. I would love to return and use her cunt and mouth more and if anal is available then perhaps she could take my cherry she is the type of girl that I would love to have it.
