The Story:

great find, bayswater is becoming great for my guilty pleasures, was greeted by the lovely leila who was wearing a sexy black low cut top that made my member instantly hard and ready for action! been to indian palace on many an occasion but i think i have found the queen of indian palace here, fantastic non rushed service, she was also wearing a deep shade of red lipstick which simply does it for me, we started with some delightful kissing followed by me sampling and licking leilas fantastic tits, which are amazing!!! and her nipples are very responsive to , leila really to seems to enjoy all the attention, then on to bj and delightful doggystyle then leila noticed i was ready to explode and credit to her she did not simply make me come quick she made me relax and simply take my time and enjoy my hour with her, all credit to her , she really pays attention to your enjoyment which is quite a first in this game!, she also is a great chatter and listener , i would love to take her out on a dinner date as she would be perfect company , shes a like a pornstar and girlfriend all in one! just hope my bank balance can take the hits its gonna get in the future!
