The Premises:

Gloucester Road Tube, Kensington. Micky lives in an apartment in a large Victorian house. Nicely decorated with a small but perfectly good bathroom and shower. The place is clean with a big bed in her room.

The Lady:

Micky is petite. Tiny, and lovely. She has long sexy legs a pert ass and flat tummy. Her breasts are smallish and her face is pretty and surrounded by long silky blond hair. She is very chatty and friendly.

The Story:

She met me at her door wearing a short dress and high heel shoes from her pics. She lay on the bed and we undressed slowly chatting about things. She is a very happy and funny girl. She was soon naked showing me her perfectly slim and tight body. I'll keep the shoes on she said. OK.

She was soon wanting to get down to business and she gave me a very enjoyable and memorable hour. Starting with OWO and 69, we soon had the condom on and were moving around the bed from one position to another. Her bum looked glorious as she kneeled on the bed looking back at me. After she wanted to stand up so we moved about the room and then she asked if I would like A-levels.

I'm not a big fan but thought I would go for it. She was so tight I was not sure I would hold out. She was moaning with pleasure, but I had to stop. We went back to oral and sex and I finished up on her body.

We chatted some more and I had a shower. She is a very friendly girl who is as sexy as her pics. Gorgeous and fully recommended a real superstar.
