The Premises:

Now they have a flat near Sloane Sq. Safe luxury I laughed where next Buckingham Palace! I suspect parking unless you have a chauffeur might be difficult. 2 cars outside did.

The Lady:

Kathleen is very beautiful the fantastic picture of her in a yellow top got me going. She is chatty, Belgian but superb English. Her breasts, flat stomach, shaved pussy all compliment a very beautiful face and mind.

The Story:

I took a shower how many times will i get the opportunity to wash in a flat the value of which is equal to that of a small country. Kathleen had a bra a panty set on which she took off and i dove to her sparkling cunt. I licked and licked she moaned and moaned we were having a good time. The owo was sensitive and sexy. I could just have let it go on and on. 30 mins is not enough time to savour this woman and I did not even get to fuck her a pleasure for the future. I shot my load over her tits as she played with herself. I felt really high but the orgasm sapped me it was breath taking. I went out into the day surrounded by the crowds of the Kings Road. I will return and I hope others get pleasure from kathleen.
