The Premises:

She has her own flat which is located about 15 minutes walk from Hounslow West Underground Station. Room is clean but the bathroom could be better.

The Lady:

Lady is as described in Adult Works website and has augmented boobs. Very good looking tall slim girl, she does look better in person.

The Story:

DON'T USE THIS LADY! I will outline reasons why below.

I called her few hours in advance and arranged a visit for 8.30 pm. She asked me to phone her when I get there. I got there on time and rang her no answer, so I sent her a text message and told her I'll wait for 15 minutes and leave. She rang 15 minutes or so later and invited me to come over to her flat. I got to the flat for 9.00pm and after offering the rate for hours services (£70), she bought me a drink which was nice.

She was a nice enough girl and has a great body. I asked for OWO which she provided and then she slipped a condom on and we go to business. During which time she kept using her phone to text and make phone calls! After about few minutes of this she stopped me and told me that her boyfriend was coming over and that I had leave and she will give me a refund. Which I said okay to assuming she'll only charge me for 15 minutes as, I had only spent 15 minutes with her. I did ask her if she give me a full refund to which she said no and she will charge me for 30 minutes. Then I told her I had only been with her for 15 minutes. She then give me £20 which was the change after charging me for 30 minutes of service. I said to her I should get more money back as I only spent 15 minutes with her and she got some security guy on the phone at which point I just wanted to leave and which is exactly what I did.

Guys this girl may have provided good services to lot of customers, but in my case it wasn't the case. I have respect for working girls and I do shower and clean before I visit a lady So it wasn't that. I think there seems to be a boyfriend in the picture and this was the first time I had a girl using the phone while I'm having sex with her! So guys avoid this lady she simply ain't worth the hassle. There are amazing girls who provide excellent service and I will continue to put reviews for them.

I found her through Adult Work and there were no reviews for this girl. First time around I sent a booking request to her via AW but she didn't confirm the booking so I never made it. Second time I phone her directly which got me in to the situation described above and no way to warn others by leaving feedback.
