The Story:

Lucy has been away for nearly a year, but is now back, ready to pleasure and be pleased!

I don't usually go for penetrative sex, as I like to see my spunk in and around the ladies mouth, but having experienced Lucy's sweet and tight pussy with gently fingering and my tongue the day before, I was keen to experience it, besides, she asked if I could fuck her and then come in her mouth!

Lucy has a very sweet and tight pussy with small, neat lips. She enjoys being licked and gently fingered and will come if you treat her nicely.

She gave me a lovely sloppy blowjob but told me not to come until after I had fucked her.

She also looked wonderful knelt on the bed as I entered her and fucked her gently.

As for the finale, she sat on the floor in front on the mirror and sucked and drooled over my cock.

She gave me a sloppy, wet and sensuous blow job until I was about to come, then I took over, she stuck

her tongue out so I could put the sensitive end of my cock on her tongue and I wanked myself.

Some thick spurts of spunk went into her mouth, over her tongue and over her red lips and her face.

She stood up and we snowballed my spunk and then I licked what was on her face off and we shared that.

A wonderful experience with a true BBW.

Go see her and watch those bright red lips around your cock!
