The Premises:

The new flat very close to the tube station, about 3 mins walk at most. Even nicer than South Kensington. My room was en-suite, maybe both are. I was surprised there is no maid, Tina let me in.

The Lady:

Must add to the glowing reviews of Tina. A very sweet and sexy girl with fabulous breasts and nipples.

The Story:

Started off with some lovely DFK, then fantastic OWO and then 69, very sweet pussy. Tempted to try reverse cowgirl, and will next time, but the OWO was so good I just had to CIM, having checked that was ok first of course. Very hot day and I was quite worn out so used up remaining time with a pretty good massage, she has strong hands, and a chat, she has a sexy accent and her English is excellent.

With no maid it is important not to arrive early. You would obviously have to wait in the street and then would see the previous punter. Maybe there is no where for a maid to sit, but I did find this a bit strange. I was actually let in 5 mins early and saw no one leaving so maybe there was not a customer at 12. I made sure I left 5 mins early and again saw no one arriving.
