The Premises:

Discreet flat near Paddington/Lancaster Gate. Good size, separate bathroom, nice bedroom

The Lady:

Superhot, very feminine body and face, curvy and smiling. Not the best english from a TG, but definitely not the worst, easy to communicate. Gorgeous c-cups (slightly enhanced but soft and nice). Very friendly and aiming to please.

The Story:

3rd time seeing this beauty, and it seems she's getting better every time. Very friendly, and smiling, welcome from walking in the door. Was offered a drink and a shower. The pre-game shower was happily accepted, due to a strangely hot London. The bedroom action ticked all the right boxes for this punter: A good massage, followed by sweet kissing action. DATY was happily accepted, followed by great OWO, before a selection of positions. Demi seemed especially happy in a prolonged missionary, in which both of us came (at least I think she came as well). After finishing I was treated to another nice cuddle and massage, before getting on my way with a smile on my face. Thoroughly recommended to punters who like friendly and feminine GFE-service providers! Hope to be back soon!
