The Story:

This was my first punt in a long time, and was quite nervous, I've always been one to find a girl I like and stick with her as I find it takes me till the second visit till I can fully relax and enjoy my time. But from the moment Michelle's lips touched mine I was fully aroused. She was very relaxed, friendly with just the right amount of naughty. And if you believe what she says she enjoyed herself almost as much as me, saying the guy who follows is going to have a hard act to follow. After satisfying my every desire in the few remains minuets we had a very bizzar and hugely entertaining chat which showed that she not only had a fantastic body but was also great charm and intelligence. Cannot wait to see her again
