The Premises:

Erotic studio is clean, I chose the large room upstairs and it was well lit, dvd/tv, stereo etc. Clean and welcoming, shower facilities offered upon arrival and the maid was friendly. On road parking via meter or pay and display around the corner.

The Lady:

Sarah is lovely, a curvy size 12, red hair, large F cup breasts and the filthiest smile you have ever seen. 5'7" and late 20's. Tasteful tattoo's and an amazing bum!

The Story:

I pre-booked Sarah, I arrived slightly early and settled into the room. Sarah came in and as soon as she started talking and undressing I knew I had made the right choice! those breasts deserve a whole paragraph for themselves, they are awesome. Sarah made me feel at ease and said she could be whatever I needed her to be. I opted for a GFE rather than a PSE as I wasn't in the mood to be ragged around the room and shagged half to death. I was not disappointed, kissing, cuddling and plenty more besides, a gentler option than the full on experience. I thought upon exit I should maybe of had the hour as it is surprising how time flies. Sarah is not new to this game, that much is obvious, also she actually tried her best to give value for money and took time to chat afterwards, it's small things like that which means regular clients for working girls. Nice time, nice girl, would see again.
