### The Premises:

The flat was easy to find in the Paddington area about 5 minutes walk from the Station. The room was big, clean and has a high ceiling enough space to re-enact Tarzan and Jane scenarios. No bath but a big shower room.

### The Lady:

I was savouring the moment in meeting Patsy as I heard many a good report. My ..... how lovely she was with a beautiful smile to melt ones heart, slim and petite with her skin silky and smooth as butter.

### The Story:

After getting over the heart stopping moment Patsy proceeded to entertain me ..... in fact we entertained each other. I had a whirlwind hour of a journey with this "Land of many smiles" specimen. Where on the way the valley of life was sampled and horn of the tribune was blown enabling a crescendo to journey ends. What a trip!!!!!!! Therefore I will be back to experience another adventure with this delightful flower.
