The Story:

My last encounter with Zoe was back in her Sandy's days back in 2007 when I had a duo with her and Angel there, and I had been meaning to reacquaint myself with her ever since she had gone independent .

I had made my booking with Zoe by a series of text messages the week before and had suggested to her that that I wanted to try something that I have been wanting to do for a while now and that is to combined food with sex, so as it is Wimbledon fortnight, what better than strawberries and cream.

So armed with said fruit and a can of squirly cream I arrived outside Zoe's place just before 4pm, a quick call to Zoe and I'm let in and make my way up to her apartment, shame that I only realised that there was a lift once I'd got halfway up the stairs, a knock on the door and it opens to reveal Zoe in a red basque and full bra, panties and suspenders, I'm ushered in and immediately she grabs me and kisses me on the mouth which develops into a full proper snog. Re introductions over Zoe offers me some refreshment and I accept the offer, it being a pleasantly warm day I opt for a glass of orange squash.

We make our way over to the sofa in Zoe's living room for a bit of a chat, she asks me what I've been up to and whom I've recently seen. We talk about her recent duo day with Abbie from Samantha's , which had I been able to get to I would have loved to have done, Zoe saying that Abbie is fantastic, hopefully there will be a repeat.

During our tete a tete, there has been intermittent kissing and fondling, then Zoe gets up and drags me to her bedroom, where we continue kissing, at this point I have to go to the bathroom before we carry on any further, I reemerge from the bathroom to find that Zoe is now down to just her

underwear and we re commence kissing, which has been full on DFK, at this point I take one of the strawberries, the packet of which and the can of cream I had picked up when we had transferred to her boudoir, and feed Zoe with it, then we kiss again passing the strawberry between us. Now off comes Zoe's bra and she lays down on the bed and take that can of cream and squirts a mound of whipped goodness on to each of her tits, then we top the cream with a strawberry, this is not as successful as perhaps it could be as some of the cream starts to slip off Zoe and on to the sheets, not to worry she says, but I better lick it off her quickly so in I go licking her now creamy boobs, more cream, more licking, more kissing, then I rub what cream is left on Zoe into her skin, not sure how good it is for her complexion, but they say Cleopatra used to bathe in asses milk so who knows. Zoe, realises at this point that she still has her panties on, but these are now swiftly discarded and Zoe spreads her legs to reveal her glorious shaved pussy for me to marvel at once more.

Taking the can once again, this time Zoe places a line of cream along her pussy and tops it with a berry, whilst she doe this I am told that I'm not allowed to get in there until she has finished her handy work, finally she finishes and I'm licking the cream and fruit off her cunt, delicious. I bury myself in her pussy, and Zoe clamps her lags round my head urging me to lick her out deeper and deeper, thrusting her hips to push her cunt into my face as much as she can. We now try and see if we can actually squirt cream into her pussy, I try to do it but catch her delicate pussy with the top of the nozzle which is slightly pointed, but Zoe is not going to give up and give it a try, still with not great success, even so I need to remove this next batch out of her cunt so down I go again.

Coming back up, breathless I start to finger fuck Zoe, getting what cream remains and getting Zoe to lick it off my fingers, then Zoe moves so that her wonderful peachy bum is sticking up and more cream is applied, and removed by me licking off her derrière, which turns into more RO as I slip under her and have yet another go at her pussy.

Time Zoe says, for her to give some oral, and of course this means more cream, this time over my cock, which is soon covered, which Zoe then licks off leading on to one of her fabulous signature BJ's, during which Zoe decides that we should get into a 69, now argument here and once again I'm getting a mouthful of juicy creamy pussy, whilst Zoe goes to work on my cock.

We both break away, time to get that cock in my pussy Zoe says, so on with the rubber, we start off with me on top, but it quickly becomes apparent that the fella is going to have an off day and collapses pretty quickly and all attempts to revive his flagging fortunes are to no avail. Even so Zoe is not one to disappoint and so out comes her rampant rabbit which she uses on herself whilst I wank my self, but this doesn't help. More oral, is tried, but still nothing. I say that maybe if I have a short break it might help as maybe I'm over thinking things, so I go back out to the living room where I have a drink of what's left of the orange squash Zoe made for me earlier. Back to the bedroom to find Zoe with her rabbit firmly up, her cunt, again I try to bring it back to life with some gentle wanking, still nothing. Zoe is determined not to give up and tries one more time at suck me off, but to no avail. Bollocks.

Our hour up, we both shower to clean the cream off us. We chat as I redress, with Zoe sitting on her bed in a stunning silk dressing gown, during which she can't help flashing a boob at me when I compliment her on how good she looks in it.

I'm finally shown out the door with one final kiss a happy punter and despite the failure of my equipment I had a great time, hopefully next time, and there will be a next time things will work better.

Thanks Zoe.
