The Premises:

Tidy flat in Mayfair in a discreet location.

The Lady:

Beautiful lady with a sexy manner, tight body and great curves.

The Story:

I requested a role-play/domination session with this Russian lady, who likes to take control and has a sexy Russian accent well-suited to verbal domination.

Kristina dressed as my bespectacled school mistress and gave me a thorough punishment for forgetting my homework, bending me over and caning me on the arse until my cheeks were red.

This domme part of the performance was delivered with gusto and she really got into it.

She most graciously demanded that I fuck her to make it up to her, which I was happy to do, and I finished on her splendid tits.

Superb evening. Look forward to seeing more of her once the World Cup is out of the way.
