The Premises:

Front entrance between Chinese restaurant and florist on busy main road, up steep flight of stairs. Inside is clean and tidy, room used had full en suite bathroom which was almost as large as the bedroom itself.

The Lady:

Tall fit blonde with enhanced boobs.

The Story:

This was a pretty standard parlour encounter, starting with a quick massage followed by oral, both ways and sex.

What I hadn't realised is that I had actually seen Paris previously until she said that we had met before only she couldn't remember where, it was only later when I had a chance to review my previous PN reports that I realised that I had seen her when she worked out of the now defunct Wonder Lounge.
